

Finance Director

- **Determined Global Industry Icon**
- **Hands-On Energetic Leader**
- **Engage, Partner & Influence**
- **Substantial Six Figure Remuneration Package & Illawarra Lifestyle Benefits**

David Brown is a global icon and conspicuous figure in the industrial landscape for more than 150 years. From their Australian manufacturing facility in the northern suburbs of Wollongong, David Brown Gear Industries provides world class, high quality power transmission solutions throughout the Asia Pacific region. With an ambitious new owner Clyde Blowers, invigorated brand and enhanced market driven proposition, David Brown Gear Industries is in a prime position to fortify its existing business and capitalise on new opportunities and emerging markets.

Reporting to the Managing Director you will be a key ally to the management team, responsible for all aspects of accounting and financial stewardship and a vital contributor to the commercial success of the business. David Brown Gear Industries seeks high quality, high productivity and consistency of performance and your focus will be:

Commercial Leadership & Strategy | **Controls, Risk & Tax** | **Continuous Improvement & Innovation** | **Analysis, Modelling & Reporting**

Key to your success will be your ability to understand the machinations of this dynamic project-driven business, their people, the markets they operate in and their customers.
